

Dear Stratford Society Members.
 We have planned a visit to Brandon Marsh Nature Reserve, www.warwickshirewildlifetrust.org.uk CV3 3GW for

MONDAY 12th SEPTEMBER 2022 @ 10.30am
N.B. Don't forget to bring your binoculars

Transport will be in your own vehicles, and I'm sure some people will share. Members of any Wildlife Trusts get free admission to Brandon Marsh, they just need to bring proof of membership whether that is a membership card or email. For non-members there is a small admission charge. This is £3.50 for adults and £2.50 for concessions (students or 60+). Children are £2 each and under 4s go free.

Maps can be provided at 50p each.

There is a café on site where snacks, drinks and lunch can be purchased. If you can let me know in advance if you will be bringing your own picnic lunch or are planning to eat in the café that would be helpful, it's to let the café staff know so as they can be prepared.

Hoping you can join us, please could you let me know, thanks in advance.
 Non-Society members are also welcome.

Cheers John Freeland
